

**Reception Homework grid**  
Autumn – All about me

Read a story at home  
recording the setting,  
key events and  
characters

Make your house out  
of junk modelling

Write your name

Create a family tree  
and write your families  
names

Practise counting up to  
10 and identifying/  
writing the numerals

Make a list or draw  
pictures of animals you  
observe in your garden  
and local area

Look for 2D and 3D  
shapes in and around  
your house

1 2 3

**Dear Parents**

Listed above is some fun homework ideas for you and your child to do at home The green hexagon in the middle is something we would expect your child to do as we are going to be making a display in our classroom In addition to this we would expect you to choose 2 more pieces of work from around the outside to be completed and handed in through our Autumn Term If you and your child want to do more than this we would be delighted and a special treat will be given to those who complete all 7 activities.

We look forward to seeing all your fantastic work.  
Mrs White, Miss Jones & Miss Jenkins
