15th March 2018

Dear Parents/Carers

Maths Workshop – Monday 26th March 2018 - 9:00 am
For Parents/Carers of children in Years 1-6

At Briscoe Primary School and Nursery we believe that a child having a great start to their school life is essential for future success. Miss Rymer - Briscoe's maths lead, will be holding a workshop looking at the importance of number facts. The session will enable you to develop your knowledge of the number facts that children need to learn and some examples of ways you can help your children learn them.

The workshop will be delivered in a relaxed and understandable way and younger siblings are welcome to attend. There will also be tea, coffee and biscuits available.

In previous years we have received excellent feedback from these free sessions and we look forward to seeing you.

Yours sincerely

Mrs T Chudleigh & Mrs N Coggin
