Friday 20th April 2018

Dear Parents and Carers,

Hooray - the sun is out which has helped to make the first week back that little bit more enjoyable.

Please remember to provide your child/ren with a sun cap and water bottle and apply sun cream before school where possible so that the children can make the most of the lovely weather.

New topics are underway and all children should receive homework and information in the next few days so please look out for this and speak to your child's teacher if you do not receive it.

We were happy to welcome 'splash ...' on Tuesday who spoke to the whole school about the important issue of saving water. This supports the excellent work that our School Council are currently doing with their recycling project and we are looking forward to implementing some of their suggestions to help our environment. Watch this space!

You will notice from the diary dates below that class **sharing assemblies** will be happening this term and **they will all be taking place on a Wednesday morning. Oak class start us off next Wednesday** and we can't wait to see all of the fab learning they are doing.

Have a great weekend! See you all on Monday at 8.40 am ☺
