

## Homework Grid – Rowan and Elm

These are the possible homework tasks for you to complete over this term. You are expected to complete **three** of them. You **must do the task in the middle square, and then you can pick another two to join and make a line**. This homework is your chance to be creative - so if you are interested in any others, you may choose to do more!

This homework needs to be completed and handed in **by Friday 7<sup>th</sup> December 2018**.

You will still need to read and practice your spellings and timetables each week. You may also have English and Maths that will need to be completed in addition to this homework!

<p>Carry out research about a carnivore, herbivore or an omnivore.</p> 	<p>Write your own list of class rules.</p> 	<p>Create a dinosaur from recycled materials.</p> 
<p>Design an environment for a dinosaur to live in.</p> 	<p>Write a story about a dinosaur wandering around the park.</p>	<p>Write a poem about the seasons.</p> 
<p>Describe the weather in England for each season.</p> 	<p>Draw a picture of a dinosaur and label it.</p> 	<p>Write five facts about one of the continents.</p>
