

Homework Grid – Rowan and Elm

These are the possible homework tasks for you to complete over this term. You are expected to complete **three** of them. You **must do the task in the middle square, and then you can pick another two to join and make a line**. This homework is your chance to be creative - so if you are interested in any others, you may choose to do more!

This homework needs to be completed and handed in **by Friday 29th March 2019**.

You will still need to read and practice your spellings and timetables each week. You may also have English and Maths that will need to be completed in addition to this homework!

<p>Carry out research about a famous polar explorer.</p> 	<p>List 5 different types of material and write what they are suitable for.</p> 	<p>Create an artice landscape using recycled materials.</p>
