

Homework Grid – Rowan and Elm

These are the possible homework tasks for you to complete over this term. You are expected to complete **three** of them. You **must do the task in the middle square, and then you can pick another two to join and make a line**. This homework is your chance to be creative - so if you are interested in any others, you may choose to do more!

This homework needs to be completed and handed in **by Friday 23rd March 2018**.

You will still need to read and practice your spellings each week and may also have English and Maths that will need to be completed in addition to this homework!
