

Friday 22<sup>nd</sup> September 2017

Dear Parents and Carers,

Lots of super things have been going on in classes this week - space rockets and planets are being made from papier mache in Year 2, aliens are being created in Year 1 and lots of science experiments have been going on in Year 3/4. When walking through the Year 5 and 6 classes it is very clear to see from their working walls how engaged they are in their new text 'Parvana's Journey'. A big Well Done to everyone!

As a school we have supported the 'Jeans for Genes' charity today and we would like to say a huge thank you to everyone who bought their 50p into school this morning. Mrs Fletcher will let us know shortly how much we have raised. In assembly today we talked about our Hearts value - 'Service' and the children all felt very proud of themselves for supporting this wonderful cause. ☺

This week we have seen a huge improvement in the number of children arriving late to school and have ended the week on a high with only 1 child arriving after 8.50 am today. This is brilliant! Let's get this figure down to 0 so that every child has the best opportunity to succeed.

Have a lovely weekend with your families.

Mrs Coggin & Mrs Chudleigh

## PE KITS

Despite previous reminders, there are still a number of children without full PE kits in school.

Please make sure you have provided a named kit for your child.

Thank you for your support.

Cherry class have been learning about their senses.

We're not sure that they enjoyed tasting the lemons!

### Outdoor Learning

All children, from Reception to Year 6, take part in Outdoor Learning each week - so it is very important that they keep a pair of wellies in school. As the weather will soon be turning colder, it would be a good idea to also send in some warm socks and a jumper/sweatshirt.
