Friday 26<sup>th</sup> January 2018

Dear Parents and Carers,

First of all we want to say a huge thank you to the parents that came to hear the talk given by the Breck Foundation on Wednesday. It was fantastic that you were there to hear the important messages about online grooming that Lorin LaFave gave. We have lots of links on our website under the parents tab to support you with this difficult issue and report any suspicions you have. We will be running a 'No Tech for Breck' day in February to continue to address this as part of our ongoing e-safety curriculum. Please look out for further details.

In other news this week, Year 3 and 4 have been transported back to Roman times and we have seen huge mosaics of a Roman soldier and Boudicca being created. These look great and we can't wait to display them in the school! We also watched a really catchy song being performed in Walnut class which helped to learn the Roman numeral rules. The only problem is we now can't stop humming it!

We met with some representatives of the housing department at Basildon Council this week and arranged a drop-in advice session at the school where you will be able to get help and support with all of your housing issues. We will let you know dates and times as soon as we have them.

Have a restful and safe weekend.

Mrs Chudleigh and Mrs Coggin 😊

## Attendance

This week our attendance is

**96%**

Well done, but let's see if we can improve this next week!

## Asda Food Donation

We would like to say a very big 'Thank You' to Asda who very kindly donated several shopping bags full of bread, cereals and spreads to our Breakfast Club this week.

Asda will also put Briscoe Primary School on their in-store token board, so please make sure you collect your Green Token every time you shop in Asda and add it to Briscoe's board.

## The Breck Foundation

Thank you to Lorin LaFave, our supportive parents and the members of staff who braved the nasty weather on Wednesday evening, to attend the talk to raise awareness of how to play and socialise safely whilst using the internet.

If you have been a victim of online abuse, or you are worried about somebody else, report your concerns using the CEOP (Child Exploitation and Online Protection) button.

## Number Day

We are delighted to be supporting the NSPCC by taking part in their Number Day, Dress up for Digits on Friday 2<sup>nd</sup> February 2018.

We would like the children to come into school wearing an item of clothing with a number on it (football shirt, cap or even a onesie!). We are asking for a suggested donation of 50p per child, and we'd love everyone in the school to take part in this special event. Throughout the day the children will take part in lots of different maths activities in their classes.

All monies raised will go towards helping fund the vital services of the NSPCC such as ChildLine - the helpline that's always there for children and young people whatever their problem or concern.

### PE Kits

Please make sure that your child has a full PE kit in school every day.

PE is part of the National Curriculum and, unless there is a medical reason, ALL children must take part.

### Drumming Assemblies

Due to the popularity of our Drumming Assemblies, we have decided to hold them for one Year Group at a time, each half term.

On Friday 2<sup>nd</sup> February at 11.00 am Year 2 pupils would love their parents to come along and listen to what they have learned.
