Briscoe Primary School & Nursery statement on additional funding to support pupils with any additional academic needs as a result of the coronavirus pandemic.				
Our school prepared well for this and has built a structure in 2020-21 which allows additional leaders and teachers extra time to support pupils with any academic needs brought about as a result of the partial closure of our school. We used the above documents to support this plan. Some senior staff have had tutoring training and where this is not the case, those that have had this will be training them.				
Number of pupils	Amount received = £80 x number of pupils in census records	Additional days for tutoring/ support (days out of class for teachers built into structures for tutoring)	Example learning being undertaken	How we will assess the effect of the grant on pupils' educational attainment
299	£23,920	KS1 x 1 day per week KS2 x 2 ½ days per week 2 x weekly interventions for each year group	Small group Phonic booster groups Individual & small group catch up- those that did not meet GLD due to school closures. Basic skills teaching in Maths and English Reading booster session- small groups Interventions focusing on filling content that was missed due to lockdown (in all year groups) Additional PSHE lessons as part of recovery curriculum with	Phonics test results Termly assessments Children achieving GLD Maths End of Unit assessment Maths Consolidation assessments Evidence of work in children's books Termly assessments Knowledge tests and assessments Qualitative data from Learning mentor/ school counsellor/ teachers

			opportunities for 1:1 time- weekly Speech therapist sessions with Trust therapist- half termly sessions 1:1	Termly report from SALT Termly GLD assessment
